SUMMARY

Front-End Developer and Computer Science graduate (2026) with hands-on experience building responsive, user-friendly web applications using React and TypeScript. Completed a Front-End Developer internship at BluLogix, integrating RESTful APIs and building reusable UI components. Shipped 3 deployed projects, including a Next.js/TypeScript restaurant web app with dynamic filtering and reservation workflow. Currently expanding into Next.js and Tailwind CSS.

SKILLS

Languages: HTML5, CSS3, JavaScript, TypeScript

Front-End: React, Next.js, Tailwind CSS, Responsive Design, RESTful API Integration, Reusable Component Architecture

Tools & Platforms: Git, GitHub, Vercel, Netlify, npm, VS Code

EXPERIENCE

Front-End Developer (Internship)

Mar 2026 – Jun 2026

Durrat Al Bayan – BluLogix, Amman, Jordan

- Completed a structured web development internship program focusing on semantic HTML, CSS layout techniques, asynchronous JavaScript, and REST web services.
- Built responsive web interfaces and integrated RESTful APIs to fetch and display dynamic data seamlessly.
- Applied algorithms and problem-solving skills to optimize page interactions and component rendering.

PROJECTS

Resto Restaurant Website | Front-End Developer

[Live Demo](#) / [GitHub](#)

- Built a modern, responsive restaurant web application with dynamic menu filtering, a table reservation workflow, dark mode support, and dedicated authentication routing.

Tech: Next.js, TypeScript, Tailwind CSS

University Journal Approval System | Full-Stack Developer

- Built a web-based system to automate and manage the university journal approval workflow with administrative approval stages.

Tech: HTML, CSS, JavaScript, PHP, MySQL

Weather App | Front-End Developer

[Live Demo](#) / [GitHub](#)

- Built a responsive weather app with city search, geolocation detection, Celsius/Fahrenheit toggle, and localStorage-based last-searched-city memory.

Tech: React, TypeScript, OpenWeatherMap REST API

EDUCATION

Bachelor of Computer Science

2022 – 2026

The World Islamic Sciences & Education University, Amman, Jordan

CERTIFICATIONS

- Full Stack Web Development | Al Hussein Technical University (2025)
